

Compensation Disclosure Statement

Our goal at KardioFit, Inc. (“KARDIO™”) is to provide high quality wellness rewards service and other products to consumers. We’re proud that our Members now receive unlimited cash rewards, annual biometric device upgrades and diet and fitness tracking services at a very attractive price.

We’re also proud that Members who like our service can become “KREW Members” and earn income by encouraging others to become KrowdFit™ customers. We’ve built---state---of---the---art online tools to make it easy, natural, and fun to share KrowdFit with others. We’ve also created a Compensation Plan (the “Plan”) that provides financial benefits to KREW Members who decide to take advantage of it.

We want to make sure that current and potential KREW Members have a clear understanding of the opportunities available to them under the Plan. We’ve created this Compensation Disclosure Statement (or “CDS”) to provide you with accurate information about how the Plan works. We can’t provide specific data yet because we are just getting started. But in the future this CDS will include percentages and other specific and objective information about the performance of KREW Members under the Plan.

In the meantime, we want to emphasize that there is no guarantee that any KREW Member will earn any particular amount under the Plan. **It all depends on you, and your skills, commitment, and desire to succeed!**

Current and potential KREW Members should understand the following principles about our Compensation Plan:

- The examples we use to describe or explain the Plan, whether on the KARDIO.com web site, in videos or oral presentations, or anywhere else, are only for illustration. They are not representative of the income, if any, that a new KREW Member may earn.
- KARDIO makes no guarantee or projection of any KREW Member’s potential earnings.
- Any discussion by a KREW Member about the Plan, his or her own compensation, or the amount a potential KREW Member can earn under the Plan, is misleading and should be disregarded, unless it is accompanied by a written or electronic copy of this CDS.
- Success as a KREW Member depends entirely on the hard work, diligence, leadership, business sense, timing, good fortune, and other attributes and circumstances of each particular KREW Member.

Thanks very much for being a part of KARDIO™ and KrowdFit™.
